
VG Banner Shooter With License Key [Latest]

==== VG Banner Shooter is a very useful banner blocking program with a user-friendly interface. VG Banner Shooter helps you to surf internet more faster, to decrease your bandwidth and save your money. Using our program you'll never see most of annoyed banners. VG Banner Shooter has own DataBase with a block list of banners. If there is a banner not in block list, you can easy add it to block list DataBase. Also you can block Flash on web pages. VG Banner Shooter has ability to unblock banners in any site you want. It reduces your internet traffic up to 69% and it has a unbeatable quality - any person that will find a bug, will be granted a free license. Requirements: ===== Windows XP / Vista / 7 / 8 / 8.1 / 10 1 GHz CPU 128 Mb RAM 1000 Kb free hard drive space Web Browser Mozilla / Chrome Post a review It works fine but... It works fine but i think that there is an error in it because when i use the search tool and i enter the name of the banner and select show blocked in 'block list' the program shows the blocked banners of 1 to 2 months ago so that's how i know that there is some error. Posted: january 5, 2018 Rating: 5 Version: 1.4.2 Did you find this review helpful? Works fine Posted: December 19, 2017 Rating: 4 Version: 1.4.2 Did you find this review helpful? I am using this for months now and it's great. Posted: December 13, 2017 Rating: 5 Version: 1.4.2 Did you find this review helpful? Always have something to complain about. Posted: December 6, 2017 Rating: 2 Version: 1.4.2 Did you find this review helpful? Just need to say that this works fine for me. I have a small problem that I always face when I use this, the internet stops working but it is not the end of the world. It takes less than 5-10 minutes to start working again and I only have to restart the browser. As it is not a big problem I can't complain about it at all. It works fine for me.
