The expansion, he said, would be the beginning of the "World in Unbound Space," which he refers to as "a society of 9 planets." The basic idea is that a group of nine planets—a city of nine planets—begins a little more than a thousand years from now, after a series of cataclysms that are difficult to figure out. This was all just a warm-up for the big piece, which is the "gateway to the universe." A gate—which, I know, I 6d1f23a050
